In our school;

Mrs Ruff and Miss Simpson

We think it is very important for you to know where to get help if you are worried or unhappy about something.

All the adults in school think your health, safety and welfare are very important. Staff at our school know how to keep you and your friends safe, at home as well as school.

Have you got a worry?

Do you need someone to talk to?

If it is bothering you.
Then it bothers us too

No worry is too **big**, too small or too **silly**.

What can you do? **talk**

Speak to a trusted adult.

- A parent, carer, or other family member or someone at home.
- An adult in school. You may choose to talk to a grown up in your classroom or at lunchtime, your teacher, a teaching assistant, the head teacher, a lunchtime supervisor. You can talk to anyone in school about anything that is upsetting you.
- You can write down what is upsetting you and share it with an adult in school

My 5 Trusted Adults
THERE IS NOTHING I CANNOT TELL MY TRUSTED ADULTS

What will happen next?

You have the right to be safe.

We deserve

Everybody has the right to feel safe at all times!

If you share your worry with an adult in school we will.....

- Listen carefully and find out what is happening
- Do everything we can to help sort it out
- Keep you safe
